1877.78

Memo.

Letter No 876 dated 14th May 1877 from the Dy. Accts General in Mysore.

With the above the Dy Accountt Genl submits, duly checked, the Budget Estimates of the several Municipalities in the Kolar Distt for 1877.78; and the following abstract shows, at a glance, the income and Expenditure of Each.

2. The Budgets of the marginally noted Municipalities call for no special remarks, as the figures have been based upon the actuals of the first six months of the 1876-77.

3 The Estimated income of the Kolar Town Fund does not include the sum of Rs 1000 payable by the D.C. on account of the sale of the Tahsil Cutcherry - Nor has the Dy Comr shewn, in his Statement what was the probable cash balance on 31 March last - In a docket No 553 dt 24/5/77

Kolar Town

3 The address of the Comptroller stated that there was a sum of Rs 2143-12-10 standing to the credit of the Municipality on 1 April. This should have been included in the Budget. As the figures on the Expenditure side could not be finally ascertained till the assets available for Expenditure are correctly ascertained, they suggest that the Budget be returned for correction and early resubmission.

4. The Estimated Expenditure of the year

Chintamanrao

exceeds the income by Rs 57. 8 0 – Under the head "Repairs" a sum of Rs 90 is provided as against Rs 24 of last year. To bring the Expenditure within the assets the provision for "Repairs" may be reduced to Rs 33/8. Approved

5 The proposed Godaba Expenditure of this Mzy is Rs 411 – 8 – 0, as exceeds the Estimated income by Rs 1/8. The income Expected from "Tax on houses &c." is stated to be Rs 295. This Estimate is based on the actuals of 1875. 76, but a sum of Rs 296 8 0 has been realized during this financial

of 1876-77. The Estimate may, therefore, be safely raised to Rs 360 at least — this be done, the Estimates on the Expenditure side need not be disturbed

I concur & approve the adoption of the suggestion

6. (a) The principal item of revenue of this Army is "Tax on houses &c" which, during the first six months of 1876-77 realized Rs 1016-11-8, but the Estimate for the current year has been put down at rather a low figure, viz Rs 1020. I think we may safely raise the amount to Rs 1200.

Ex. Engr

(b) On the Existing

side a sum of Rs. 400 only has been provided for "original works" and Repairs as against Rs 900 of last year. And the figures may stand, subject to a further allotment being made, if during the course of the year, it is found that the collections have exceeded the anticipated means.

(c) There appears to have been no expenditure on account of "Dispensary and Medical charges" during the first six months of 1897. The Estimate for the current year appears, therefore, to have been reduced from Rs 200 to 100, which represents the

7 1/5 share debitable to Municipal Funds

the remg 4/5 do being charged to Dt. Funds.

(d) The grant of a permanent special allowance of Rs 15 p.m to the Hospital Assistt at Chikballapur recommended by the Comr was refused, and a temporary allowce of Rs 20 p.m, for 3 months from May last, was specially sanctioned under Govt Order No 539 of 31 Oct 1877. As this charge is debitable to Famine Funds no provision need be made in the Mr. or Dt. Estimates.

Yes but it may be duly borne in mind that the sanction is a temporary one only — WMS

8. The foregoing orders were communicated to the Commissioner of the Naudydroog Division, in the Ch. Comm's Proceedings No: 839/65 D/22nd June 1877. Col. Pearse, in reply, Submits for Sanction a Revised Budget of the Kolar Town Municipality, inserting on the credit side of it the Sum of Rs 1,000 payable to the Municipality by the D.P.W. as well as the cash balance of Rs 2329-5-8. But no explanation for the omission of these items in the original Budget has been furnished. The Revised Budget, which was forwarded to the Dy. Accts. Gl. on the 23rd August last, has now been received back duly checked.

No 4613 D/8/77.

Mem. No 11 D/23/8/77

9. The Commissioner has not even now reported

Reported whether any Vacant sites in the Fort of Chickballapur were sold during the past year although the point was noticed in para 7 of the Ch: Coun's Pro: above alluded to. The Budget Statement No II of the Kolar Town Municipality, which was returned with the Pro:, has not been re: submitted. This may be called for.

10. With his letter No: 483 of 28th August 1877, the Commissioner submits the marginally noted Notifications of Sanction for works in the Municipality of Kolar. The first of these is debitable to the provision of Rs 1000 under "Original Works" and may be accepted. The others amounting to Rs 347 are for Repairs. The amount of the Notification for repairing the Kilkote tank, returned unaccepted with this Office No: 1798/142 of

the

Names of Works	Amount Rs
Constructing an inlet under the bund of Turbarpet Kunte in the town of Kolar ...	78
Repairing Nazarkunte and the adjacent Road at Kolar.	268
Repairing a Summel on the Road leading from District Office to Jail ..	29.
Repairing Roads and clearing Side-drains Kolar ..	50
Total Rs	425

is Rs 500. That of another
recently received for
repairing the slopes
of the same tank is Rs
360. All the 5 Notifications
for Repairs, aggregate Rs
1207. As there is a Surplus
of Rs 3144 – 13-8, shewn as
available in the Revised
Budget, the provision
under the head "Repairs"
may be raised to a
lump sum of Rs 1500,
out of which the 5 Notifica-
tions may be accepted.*
This would reduce the
cash balance to Rs 2144 13-8.

II. With the foregoing
modifications, the Revised
Budget, submitted by the
Commissioner, may be
sanctioned and forwarded
to the Dy. Accts General.

2. Letter no 3031 dy 24th August 1877, from the Dy Accountant General, returning the Budget duly checked.

Vo. fl. 2175/166 5/14/9/77

Order thereon

The Budget Statement No. II of the Kolar Town Municipality, which was returned with the Chief Commissioner's Pro: No: 839/65 of the 22nd July last, should be resubmitted

2. With his letter no 483 dy 28th August 1877, the Comm^r Submits 4 Notifications of Sanction Nos: 1, 2, 3 and 4 for works in the Municipality of Kolar. The first which is for Rs 78 for constructing an inlet under the bund of Kirbarpet Kunte is accepted, the charge being debited to the Budget

The Estimated income of the Kolar Town Municipality which was originally fixed at Rs 4400, has now been raised to Rs. 7729-5-8, by the addition of the two following items:—

Rs 1000 payable by the D^y Ry on account of the site taken up for a Talook Cutcherry

" 2329-5-8 the Cash balance on 31st March last.

2 The Expenditure proposed Rs incurred amounts to Rs 4584-8-0 It is observed that the provision for "Repairs" is only Rs 500 The CC considers

Budget provision of Rs 1000 under "Original Works" The other three amounting to Rs 347 are for Repairs The amount of Rs 500, required in Notification no: 213, for repairing the Kilkole tank, returned unaccepted with this Office no. 1798/142 of the 24th August last and that of another no. 239 recently received for repairing the slopes of the Lower tank are proposed to be met from the Famine Funds. These five Notifications aggregate Rs 1207. As there is a Surplus of Rs 3144-13-8 shown as available in the revised Budget, the provision under "Repairs" is raised to Rs 1500, thereby reducing the cash balance to Rs 2144-13-8. The five notifications are accepted and full appropriations for them sanctioned from the enhanced provision as

7 February

this amount to Rs so as to admit of the Notifications specified in the margin, aggregating Rs 1207, being debited to the above head instead of to the Famine account to which they are not properly debitable.
